**Dear Board,**

**Town Creek MBC was given in the form of a gift, five acres of land located on Hazelwood Road in Clay Mississippi by our Pastor Dr. Charles Davidson. The land is vacant, and we are in the process of coming up with some suggestions to benefit from the land.**

**Therefore, we are requesting exemption from paying taxes on the land. We are a nonprofit organization that pays Federal and State taxes monthly to the IRS for Church payroll.**

**So, we would like you to take our request into consideration and we pray it's in our favor. Thank you all in advance for your prompt attention to this matter at hand.**

Basically, \$350 for black and white for half page. What is cost for ¼ of page, black and white?

Yes mam that's no problem. I have the County down for a half page ad last year at a rate of \$348.95 plus a \$100 for full color. I can do that same rate for you this time as well. I will include a copy of the ad that you all did last year. Were you wanting to see some of the other ads that were run in Government section also?

Thanks,  
Trevor
