Office of the Attorney General

State of Mississippi

\*1

Opinion No. 2011-00442

\*1 December 9, 2011

**Re: Purchase of Medicare supplement for employees**

\*1 B. Sean Akins  
\*1 Attorney  
\*1 Tippah County Board of Supervisors  
\*1 108 E. Jefferson Street  
\*1 Ripley, MS 38663

Dear Mr. Akins:

\*1 Attorney General Jim Hood has received your opinion request and has assigned it to me for research and reply.

**INQUIRY**

\*1 May Tippah County purchase a group Medicare supplement policy directly through its insurance agent for its Medicare-eligible employees?

**BACKGROUND AND ANALYSIS**

\*1 Mississippi Code Section 25-15-101 provides in relevant part as follows:

\*1 The governing board of any county, municipality, municipal separate school district, other school district or junior college district, and the governing board or head of any institution, department or agency of any county or municipality may negotiate for and secure for all or specified groups of employees and their dependents of such county or municipality, or institution, department or agency of such county or municipality, or municipal separate school district, other school district or junior college district, a policy or policies of group insurance covering the life, (except as hereinafter provided), salary protection, health, accident and hospitalization, as well as a group contract or contracts covering hospital and/or medical and/or surgical services or benefits (including surgical costs, so-called "hospital extras," medical expenses, allied coverages, and major medical costs) of such of its employees and their dependents as may desire such insurance and other coverage under such service or benefit contracts, and who shall authorize in writing the deduction from the salary or wages of such employees of the proportionate part of the costs thereof attributable to such employees. \* \* \*

\*1 The governing board or head of such political subdivision ... is authorized to pay such full costs direct to the insurance company ... and to do all acts necessary and proper for the purpose of carrying out the provisions of Sections 25-15-101 and 25-15-103 and of effectuating the purposes hereof.

\*1 You reference our opinion in MS AG Op., Phillips (August 8, 2005), in which the county election commissioners had requested the county cover the cost of their supplemental health insurance, which insurance would not be part of the county employee insurance plan. We opined that giving county funds to an election commissioner to pay for the commissioner's supplemental health insurance, which is not a part of the county employee insurance plan, would constitute an unlawful donation.

\*1 However, in the situation you have proposed, the county would be purchasing the group policy from its insurance agent, just as it does other insurance coverages. The county would not be reimbursing an employee for his own purchase of insurance.

**CONCLUSION**

\*1 It is therefore the opinion of this office that the Tippah County Board of Supervisors is authorized under Section 25-15-101 to purchase a group Medicare supplement policy directly through its insurance agent for its Medicare-eligible employees who wish to participate.

\*2 If this office may be of further assistance to you, please let us know.

Sincerely,

\*2 Jim Hood  
\*2 Attorney General

\*2 Special Assistant Attorney General

B. Sean Akins

Office of the Attorney General  
December 9, 2011

2011 WL 7112996 (Miss.A.G.)

Office of the Attorney General

State of Mississippi

\*1

Opinion No. 2011-00442

\*1 December 9, 2011

**Re: Purchase of Medicare supplement for employees**

\*1 B. Sean Akins

\*1 Attorney

\*1 Tippah County Board of Supervisors

\*1 108 E. Jefferson Street

\*1 Ripley, MS 38663

Dear Mr. Akins:

\*1 Attorney General Jim Hood has received your opinion request and has assigned it to me for research and reply.

**INQUIRY**

\*1 May Tippah County purchase a group Medicare-supplement policy directly through its insurance agent for its Medicare-eligible employees?

**BACKGROUND AND ANALYSIS**

\*1 Mississippi Code Section 25-15-101 provides in relevant part as follows:

\*1 The governing board of any county, municipality, municipal separate school district, other school district or junior college district, and the governing board or head of any institution, department or agency of any county or municipality may negotiate for and secure for all or specified groups of employees and their dependents of such county or municipality, or institution, department or agency of such county or municipality, or municipal separate school district, other school district or junior college district, a policy or policies of group insurance covering the life, (except as hereinafter provided), salary protection, health, accident and hospitalization, as well as a group contract or contracts covering hospital and/or medical and/or surgical services or benefits (including surgical costs, so-called "hospital extras," medical expenses, allied coverages, and major medical costs) of such of its employees and their dependents as may desire such insurance and other coverage under such service or benefit contracts, and who shall authorize in writing the deduction from the salary or wages of such employees of the proportionate part of the costs thereof attributable to such employees. \* \* \*

\*1 The governing board or head of such political subdivision ... is authorized to pay such full costs direct to the insurance company ... and to do all acts necessary and proper for the purpose of carrying out the provisions of Sections 25-15-101 and 25-15-103 and of effectuating the purposes hereof.

\*1 You reference our opinion in MS AG Op., Phillips (August 8, 2005), in which the county election commissioners had requested the county cover the cost of their supplemental health insurance, which insurance would not be part of the county employee insurance plan. We opined that giving county funds to an election commissioner to pay for the commissioner's supplemental health insurance, which is not a part of the county employee insurance plan, would constitute an unlawful donation.

\*1 However, in the situation you have proposed, the county would be purchasing the group policy from its insurance agent, just as it does other insurance coverages. The county would not be reimbursing an employee for his own purchase of insurance.

**CONCLUSION**

\*1 It is therefore the opinion of this office that the Tippah County Board of Supervisors is authorized under Section 25-15-101 to purchase a group Medicare supplement policy directly through its insurance agent for its Medicare-eligible employees who wish to participate.

\*2 If this office may be of further assistance to you, please let us know.

Sincerely,

\*2 Jim Hood

**between**

**Clay County, Mississippi**

**And**

**GovEase Auction LLC**

## **I. Online Tax Certificate Auctions**

Subject to payment by the County of Clay, Mississippi, ("the Customer"), GovEase, LLC ("GovEase") shall provide a custom tax certificate auction web site for the Customer and administer tax certificate sales on the web site.

The procedures and technical requirements of the Online Tax Certificate Auction module shall be substantially as described herein. The Customer will be responsible for paying to GovEase the agreed upon compensation, but in no event will such compensation exceed the aggregate "excess bids" paid by third party users. For the purposes of this contract, "excess bid" is defined as any amount paid by third party users in excess of the total tax value for a parcel sold at auction.

### **A. Auction Web Site Development**

1. GovEase will work with the Customer to determine the development timeline and gather information required to build the auction web site.

2. GovEase will build a tax certificate auction web site that will be used to make information available to bidders and conduct online auctions using a process that replicates a live, public outcry auction.

3. GovEase will populate the web site with data provided by the Customer:

- a. A list of properties with delinquent taxes (typically referred to as an advertising list)
- b. Data on bidders who participated in previous auctions
- c. Sources of additional data (tax records, appraiser's web site and links to GIS maps, if available).

4. GovEase will provide training for bidders including an online auction demo, practice auctions and an on-site Bidder Orientation Session (at the discretion of the Customer).

### **B. Services to be Provided by GovEase**

1. GovEase shall furnish Internet Auction Services for Tax Certificates for Clay County, MS.

2. GovEase shall provide a host server for the Web Site. As used herein, the term "Web Site" shall mean an Internet web site that GovEase will make available to the Customer under this Agreement. The Web Site will utilize GovEase's proprietary software, which is capable of accepting and processing competitive bids for Tax Certificates to be issued by "Customer". The Customer acknowledges that GovEase's Server may not be dedicated exclusively to the Web Site. GovEase shall use its best efforts to make the Web Site available during all business hours and shall not schedule planned maintenance downtime to occur during business hours. During each auction, the Contractor shall provide Auction Administrator(s) and

the technical support necessary to facilitate the Tax Collector's conduct of online auction sales of tax certificates.

3. GovEase will include on the Web Site terms and conditions, with appropriate disclaimers, which third party users (i.e., participants in auctions/bidders) will be required to give assent. Each party will have the right to reasonably approve the terms and conditions or disclaimers that are included within the Web Site.

4. On the date when properties with delinquent taxes are advertised in local newspapers (the advertising dates), GovEase will post the same list on the web site. Auctions conducted on the web site may include both annual sales typically beginning on the first Monday in April or the last Monday of August each year and supplemental certificate sales at the discretion of the Customer.

5. On the first Monday of April, if the tax collector has exercised their option to hold a tax sale on that day, and/or on the last Monday of August, beginning at a time as instructed by the County Tax Collector and continuing from day to day until all parcels have been offered for sale, the delinquent tax properties shall be sold on the GovEase website. Bidders can submit bids by using the auction website to perform all tasks normally associated with the tax certificate sale including: researching certificates; submitting registration forms and other information as specified by the Tax Collector; submitting bids; viewing; and downloading auction results.

## **II. License and Services Schedule**

### **A. Fee for Online Sales of Tax Certificates.**

1. The fee schedule for all Tax Lien Auctions held shall be set forth as provided in this section, to begin with the 2018 Clay County Tax Lien Auction.

3. In consideration of the Services set forth in this Agreement, the Customer shall pay (or cause to be paid) to GovEase a fee of 1.25% calculated from the gross amount of all "Auction Proceeds." For purposes of this Agreement, "Auction Proceeds" are defined as the auction value of the taxes owed plus any and all overbids, if applicable.
4. Unless otherwise provided on GovEase's invoice or other Instructions that GovEase provides subsequent to the execution of this Agreement, payments shall be made to:  
GovEase Auction LLC

5. GovEase shall not be obligated to provide any Services hereunder in the event the Customer is more than 60 days delinquent in paying any invoices, provided, however, that GovEase has advised the Customer in writing that it will cease performing services unless delinquent invoices are paid in full.

  - **Fully integrated with The ENFORCER® inmate telephone system**
  - **4 multi-functional vPhone video phones**, allowing for:
    - **Remote video visitation**

  - Web-based visitor registration
  - **Web-based scheduling** for any contact, non-contact & video visits
  - Turnkey installation encompassing all necessary conduit, CAT-5 cabling, & network infrastructure
  - All-inclusive warranty, support, & repair/replace maintenance agreement
- Continue to provide our **centralized ENFORCER® platform** – with call processing and data storage housed our Atlanta data center and backed up at the ICSolutions headquarters in San Antonio, enabling:
  - Continued & uninterrupted access to all historical and future call data & recordings
  - Continued & uninterrupted access to all historical and future investigative results & associated case notes
- Inspect all onsite equipment and refresh as necessary
- Continue to provide unlimited ENFORCER® user licenses
- Provide optional retraining of all County users to ensure all ENFORCER® features are fully understood and utilized

---

As always, Clay County will also continue to enjoy local technical service; **24 x 7 x 365 live, U.S.- based customer service** for Facility Staff and Phone System users; and **online storage** of all recordings and data for the life of the contract.

*Rates, Rates & Commissions*

ICSolutions will offer remote video visitation (conducted from a location outside Jail facilities, such as a home or office). To use this service, friends and family will pay our standard rate of **25¢ per minute**, charged in 30-minute increments. The Jail will receive **50% of each paid visit** as additional commission income. Please note that **call recipients may use their existing Prepaid Calling accounts to pay for remote video visits**; therefore, there will be no need to create or fund separate visitation accounts.

*All other aspects of our current contract – including calling rates, fees, and commission rates – will remain in effect and unchanged. There will be no changes to ICSolutions' inmate telephone services.*

## The Visitor™ Video Visitation system

The Visitor™ video visitation system is built right in to The ENFORCER® calling platform. The Visitor™ is a completely TCP/IP based system, with all visitation rules, administrative tools, data, and recordings accessible online by authorized users using a **single sign-on** to The ENFORCER® for ultimate convenience.

The Visitor™ video visitation system supports not only video visitation, but can also interface with any third party system to allow streamlined processes for inmate information, sick request, commissary ordering, inmate email, media content delivery systems, etc., ensuring that it will meet or exceed the County's needs.

*The vPhone Station for Inmates:*

*A Touchscreen, Video Visitation-Capable Inmate Calling Station*

ICSolutions will provide the vPhone, an all-in-one video visitation/inmate calling solution that provides both inmate calling and video visitation on one 10-inch or 17-inch, wall-mounted device. The vPhone runs The Visitor™ video visitation and visitation management module, along with inmate calling processed through The ENFORCER® today. Because this solution is built right in to The ENFORCER®, all video and call controls, administrative tools, investigative features, rules, data, and recordings will be administered through the same system, with a **single sign-on**.

The vPhone supports not only video visitation and inmate calling, but can also interface with any third party system to allow streamlined processes for inmate information, sick request, commissary ordering, inmate email, media content delivery systems, etc. In addition, the device's **multi-tasking feature** enables inmates to access touchscreen services like law library research, account balance inquiry, information lookup, and commissary ordering **even while they are talking on the phone**.

- Full-featured video visitation system
- Inmate calling capabilities
- Document storage system
- Attorney consultation
- IP addressable
- Commissary ordering
- Inmate Communications Portal
- Send & receive e-mails
- Power-Over-Ethernet
- 10" or 17" color monitor
- Touchscreen Volume Control
- Secure-touch surface wave technology
- Hi-resolution camera w/ VGA capability
- 512Kbps streaming speeds

The vPhone stations are corrections grade, IP-based and equipped with a 10" or 17" hardened touch screen monitor, high-definition IP camera, and Linux-based operating system. Made of high-impact armored housing materials, a steel lanyard and security-grade handset, the vPhone is manufactured to withstand abuse and designed to provide a safe and secure device for inmate pods and cellblocks. Once deployed, the vPhone immediately provides value and security to the facility – inmate movement is limited, human resource costs are decreased and security improves for facility personnel and the public.

*The Visitor™ Visitation Management System:*

*Powered by The ENFORCER®*

As part of the video visitation system, ICSolutions will provide The Visitor™ visitation management system that is built right in to The ENFORCER®. The Visitor™ is a web-based system, with all visitation rules, administrative tools, and data accessible online by authorized users using a **single sign-on** to The ENFORCER®.

The Visitor™ visitation management system is a multi-functional tool that **streamlines all visitations**, including **remote video visitation**, as well as any traditional visitation needs the County may have, such as contact, face-to-face or across-the-glass visits. This comprehensive visitation management tool offers the ability to customize facility rules and automate facility visitor registration and visitation scheduling, which ensures consistent administration of all visitations provided at the County facilities. Features of The Visitor™ Visitation Management System include, but are not limited to:

- Easy browser-based visitation registration & session scheduling
- Visitor Account List of approved, suspended and denied visitors
- Visitation Scheduler for authorized facility staff
- Inmate notifications of visits accessible through the inmate phones
- Ability for visitors to view the visitation schedule via their web-based account
- Flexible and customizable visitation rules

With The Visitor™, visitation registration and scheduling is convenient for both the facility and the visitor. During implementation, The Visitor™ is configured with the facility's visitation policies and rules, so the **scheduling solution will automatically reflect the various restrictions for inmates or visitors**, as well as other rules based on classifications, such as housing unit. Visitation rules can be updated through a JMS integration or manually, as needed. The Visitor™'s high configurability means it can accommodate complex and multi-level rules, all of which will be reflected in the scheduling solution.

Amy,

After reviewing related statutes and the financing documents for the County's Justice Complex - in particular Section 2 of the Lease and Option to Purchase and the Trust Agreement. I'm comfortable with utilizing the following procedures to pay the change order:

1. Have the County by resolution approve the payment of the change order and deem the change order as part of the plans for the Project.
2. Have the County transfer the amount of the Change Order into the Acquisition and Construction Plan that is held by the Trustee.
3. Proceed with the payment to the Contractor as using the normal process -- issuing a Requisition for payment etc. through the Non Profit.

Let me know if you have any questions. Thanks, Troy

June 25, 2019

Dear Board of Supervisors,

This is the information we have been able to amass as to the poll workers training and working the polls on the day of the election.

COUNTY	POPULATION	Election Day	Training
Chickasaw	17,313	\$125.00	\$12.50 per hour
Calhoun	14,745	\$100.00	\$12.00 per hour
Choctaw	8,294	\$100.00	\$12.50 per hour
Grenada	21,266	\$125.00	\$12.50 per hour
Issaquena	1,397	\$125.00	\$10.00 per hour
Smith	16,188	\$125.00	\$12.50 per hour

The majority of these counties have a population similar to Clay County as our population is 19,000.

As you can see there are several counties that pay the \$125.00. There is not a county that pays less than \$10.00 per hour for training.

The election commissioners honestly feel that the poll workers deserve the \$125.00 per day and the \$10.00 per hour.

Thank you for your consideration to this request.

Sincerely,

*Linda Doy*

RE: BOGUE CULLEY CREEK BLOCKAGE  
BAKER ROAD  
CLAY COUNTY, MISSISSIPPI

Dear Mr. Deanes:

We respectfully request the Clay County Board of Supervisors issue a request to The Tombigbee River Waterway Management District to remove blockage within Bogue Culley Creek which discharges directly into Houlika Creek. Frequent and persistent flooding with associated drifts and sand deposition has essentially blocked the channel within the limits shown on the attached site schematic. The blockage has and is adversely impacting our property through increased flooding, erosion, and timber loss due to sand deposition. The subject area is accessible without damage to any current crop or farming activities.

Your assistance in expediting this work is greatly appreciated. Feel free to contact us should you have any questions.

Respectfully,
