WIRE CROSSING CONTRACT (KCS Contract No. 100006218)

THIS AGREEMENT, made and entered into this 11th day of June, 2019, by and between **THE KANSAS CITY SOUTHERN RAILWAY COMPANY**, a Missouri corporation, hereinafter referred to as "Railway Company", and **CLAY COUNTY BOARD OF SUPERVISORS**, to be addressed at 365 Court Street/P.O. Box 815, West Point, Mississippi, 39773, hereinafter referred to as "Licensee".

WITNESSETH:

WHEREAS, Licensee desires to construct, maintain, operate, use and remove wires, hereinafter described, across the right-of-way and tracks of Railway Company and across the telephone, telegraph, signal and other wires of Railway Company and The Western Union Telegraph Company, the latter wires being hereinafter referred to as "Company wires".

NOW, THEREFORE, IT IS AGREED AS FOLLOWS:

1. PERMIT FOR CROSSING: For the sole convenience and accommodation of Licensee, at its sole risk and expense, and in consideration of the covenants of Licensee hereinafter set forth, Railway Company, without any warranty or guarantee of suitability of the premises for Licensee's or any other purpose, hereby permits Licensee to construct, maintain, operate, use and remove a crossing (herein referred to as wire crossing), the course of the wire crossing being described as follows:

One (1) fiber optic wire line crossing and One (1) existing pole on Railway Company right-of-way and tracks at Mile Post GG88.96 (Louisville Subdivision), West Point (Clay County), Mississippi, as indicated on print of drawing no. 19-11869 dated 5/1/2019 and approved 5/2/2019, marked Exhibit "A", attached hereto and incorporated herein by reference.

The rights granted under this Agreement are subject to all outstanding superior rights whether or not of record (including those in favor of licensees and lessees of Railway Company's property, and others) and the right of Railway Company to renew and extend the same, and is made without covenant of title, or for quiet enjoyment. Railway Company does not warrant title and Licensee accepts the rights granted herein and shall make no claim against Railway Company for deficiency of title. Licensee acknowledges that Railway Company's interest in the right-of-way varies from segment to segment and may include lesser interests than fee title. Licensee shall, at Licensee's sole cost and expense, obtain any and all necessary rights and consents from parties other than Railway Company which may have or claim any right, title or interest in the property upon which Railway Company's right-of-way is located.

2. SPECIFICATIONS: The wires shall be placed, and at all times maintained, so as to give a minimum clearance of 32' - 11" above the rails in the tracks of Railway Company, allowing for sag, and so as to clear Company wires at least two (2) feet. Licensee shall, at its own expense, erect and maintain its poles and wires in accordance with the latest revised rules, orders, recommendations or specifications adopted by the National Electrical Safety Code of the Bureau of Standards for overhead railway crossings by light and power transmission lines. The parties hereby incorporate the requirements of 41 C.F.R. §§ 60-1.4(a)(7), 60-250.5, 60-741.5, and 29 C.F. R. part 470, relating to equal employment opportunity, if applicable. Licensee expressly agrees that the wire line shall be constructed to cross Railway Company's tracks and right-of-way at an angle of not less than 45°, and the said wire line shall be placed so that at all

times a minimum distance of ten (10) feet is maintained from the nearest point of any signal gate arm throughout the full range of motion of the arm.

3. MATERIAL AND WORKMANSHIP: Material and workmanship shall be satisfactory to Railway Company's authorized representative, both as to renewal and repair. Licensee shall not enter nor commence construction on or under Railway Company's property or right-of-way unless accompanied by a Railway Company qualified construction observer and flagger to oversee Licensee's work on Railway Company's property or right-of-way. Licensee will be responsible for all construction observer, flagging and mobilization costs, herein referred to as "Services", and arranging for these necessary Services associated with the installation. To enable arrangements to oversee for these Services that are to be performed under this Agreement, Licensee must submit a written scheduling request to Railway Company's Scheduling Agent, hereinafter referred to as "Scheduling Agent", which request is received by the Scheduling Agent for approved Railway Company qualified construction observer and flagging contractor a minimum of thirty (30) Business Days in advance before Licensee proposes to commence work on or under Railway Company's property or right-of-way. (A "Business Day" is any day Monday through Friday which is neither a federal holiday nor a state holiday at the address of Railway Company's scheduling agent stated below.) The request must contain Licensee's name, the date of this Agreement, the location of the work to be performed, and how many consecutive Business Days will be required for Licensee to complete the work. Licensee's request must be delivered to Scheduling Agent by contacting Bartlett & West at 785-228-3101 to leave a message and/or by sending an email to kcscrossings@bartwest.com.

Licensee will, upon receipt of an invoice from Scheduling Agent specifying in reasonable detail Scheduling Agent's costs and expenses of providing these Services, reimburse Scheduling Agent for all of their costs and expenses of providing an inspection, flagging and mobilization prior to installation.

Railway Company's designation of a company or individual as a Railway Company "qualified" flagger or flagger provider, or Scheduling Agent, shall be construed solely as Railway Company's willingness to allow said individual or entity to provide Services on Railway Company's property or right-of-way without further proof of qualification, and shall not be construed as an endorsement or other verification of the abilities or qualifications of said Scheduling Agent by Railway Company. All flaggers or Scheduling Agents provided herein shall be treated solely as independent contractors of Licensee, with no relationship to Railway Company, for all purposes herein. Licensee and its agents, employees and contractors will clear the tracks when directed to do so by the flagger. The presence of the flagger will not relieve Licensee of its duty to keep all of its agents, employees and contractors clear of the tracks when trains are in dangerous proximity to the licensed area. The actions or inactions of the flagger shall be construed for all purposes herein as the actions or inactions of the Licensee, and shall be governed by Licensee's duties of indemnification, and saving harmless under Section 3 of this Agreement.

If Licensee's scheduling request fails to reach Scheduling Agent at least thirty (30) Business Days before Licensee's proposed commencement of work, Railway Company may refuse to allow commencement of the work on the Licensee's proposed commencement date. If Railway Company will not allow the work to proceed on Licensee's proposed commencement date because the scheduling request did not reach Scheduling Agent in time, Railway Company will inform Licensee of this fact as promptly as possible and work with Licensee to arrange an alternative commencement date for the work.

The construction observer and flagger will remain at the site on a reasonably continuous basis

to oversee the work, and charges will accrue for each day spent awaiting the completion of the work and the installation of appropriate signs marking where Licensee's facilities enter and leave Railway Company's property and right-of-way. If installation takes longer than contracted for with Scheduling Agent, Licensee will, upon receipt of an invoice from Scheduling Agent specifying in reasonable detail Scheduling Agent's costs and expenses of providing the inspection, flagging and mobilization, reimburse Scheduling Agent for all of Scheduling Agent's costs and expenses of providing an inspector, flagger and mobilization.

Once Licensee has submitted its scheduling request to Scheduling Agent, should Licensee require a change to the scheduled date, Licensee shall provide Scheduling Agent at least two (2) Business Days' notice prior to the requested start date of the work. If Licensee fails to provide two (2) Business Days' notice of the change, Licensee shall be charged, and agrees to pay, the daily rate, and any travel costs actually incurred, for the construction observer, flagging and mobilization for one (1) day.

4. POLES: Licensee shall not erect or cause to be erected any poles, anchors or guy wires upon the right-of-way of Railway Company except as indicated upon the attached Exhibit A, and which poles, anchors and guy wires shall not be placed nearer than twelve (12) feet from the nearest rail of any main track or nearer than nine (9) feet from the nearest rail of any side track.

5. ADOPT MODERN METHODS: Licensee shall, at all times, at its own expense, adopt and maintain the most effective system and use the best known and most effective methods approved by Railway Company to protect the property of Railway Company, including Company wires, from interference and physical hazard.

6. MAINTENANCE: Licensee shall maintain the wire crossing to conform to the requirements of Section 2 hereof, and shall make frequent inspections of the crossing for that purpose. If it shall come to the attention of Railway Company that the same is not being so maintained, Licensee will, on written request of Railway Company, at any time, promptly make such renewals or repairs in wire crossing as shall be designated by Railway Company, and if Licensee fails within ten (10) days to comply with such request, Railway Company may make such renewals and repairs, the cost of which Licensee agrees to pay, or Railway Company may, at its option, wholly remove the crossing wires, and the supporting structures, conduits and appurtenances from the right-of-way.

7. ADDITIONAL WIRES OF LICENSEE In the event Licensee desires to install additional wires at the crossing in the locations hereinbefore described on the same poles, or towers, or in the same conduits, hereinbefore provided for, Licensee shall first obtain Railway Company's written consent for the construction or installation of such additional wires.

8. CHANGES HEREAFTER MADE BY RAILWAY COMPANY: If at any time during the term of this Agreement, it shall become necessary or desirable for Railway Company to build additional track or tracks, depots, yards, or any other structure that may be necessary or desirable in connection with the operation and maintenance of Railway Company, or to change the grade or location of its track or tracks, or if changes in or additions to Company wires or poles used in connection therewith shall become necessary, or if it shall become necessary to do any work to comply with the requirements of Railway Company, or with the demands which may hereafter by law be prescribed with reference to the crossing, Licensee shall, at its own cost and expense, within thirty (30) days after receipt of written notice from Railway Company so to do, relocate, rearrange, reconstruct or revise the wire crossing in such manner as to conform to the requirements of Railway Company.

9. CONSIDERATION, INDEMNITY: IN CONSIDERATION OF THE LICENSE AND PERMISSION HEREIN GRANTED, LICENSEE ASSUMES AND AGREES TO INDEMNIFY, AND SAVE HARMLESS RAILWAY COMPANY, ITS OFFICERS, EMPLOYEES, SERVANTS, AGENTS, REPRESENTATIVES, CONTRACTORS AND OTHER COMPANIES OPERATING TRAINS OVER ITS TRACKS FROM ANY CLAIMS OR DEMANDS (WHETHER ARISING IN OR BASED UPON TORT, CONTRACT, STRICT LIABILITY, OR OTHERWISE) (INCLUDING LEGAL FEES AND COURT COSTS) MADE BY ANY AND ALL PERSONS FOR ACCIDENTS, INJURIES OR LOSSES ARISING FROM OR GROWING OUT OF THE CONSTRUCTION, MAINTENANCE, OPERATION, USE OR REMOVAL OF LICENSEE'S POLES, TOWERS, WIRES AND APPURTENANCES ON RAILWAY COMPANY'S RIGHT-OF-WAY, OR FROM THE ESCAPE OF CURRENT THEREFROM, OR FROM THE BREACH OF ANY OF THE TERMS OR CONDITIONS OF THIS AGREEMENT BY LICENSEE, AND FROM ANY PAYMENTS WHICH RAILWAY COMPANY AND OTHER COMPANIES, OR ANY OF THEM, MAY MAKE TO ITS OR THEIR EMPLOYEES AND THEIR BENEFICIARIES, OR ANY OF THEM UNDER THE PROVISIONS OF ANY COMPENSATION LAW OR OTHER SIMILAR LAW OR UNDER THE PROVISIONS OF ANY PLAN FOR EMPLOYEES' BENEFITS ADOPTED BY RAILWAY COMPANY AND OTHER COMPANIES, OR ANY OF THEM, IN SETTLEMENT FOR ACCIDENTS OR INJURIES ARISING FROM OR GROWING OUT OF THE FAILURE OF LICENSEE TO CONSTRUCT, MAINTAIN, OPERATE, USE AND REMOVE THE WIRE CROSSING AS HEREIN PROVIDED. LICENSEE SHALL INDEMNIFY, AND SAVE HARMLESS THE AFOREMENTIONED COMPANIES AS PROVIDED IN THIS SECTION UNLESS SUCH LOSS ARISES OUT OF THE SOLE NEGLIGENCE OF THOSE COMPANIES.

LICENSEE RECOGNIZES THE DANGER INCIDENT TO THE OPERATION OF TRAINS OVER THE TRACKS OF RAILWAY COMPANY IN THE VICINITY OF THE WIRE CROSSING, AND AGREES TO ADOPT AND ENFORCE UPON ITS EMPLOYEES ENGAGED IN CONSTRUCTING, MAINTAINING, OPERATING, USING OR REMOVING THE WIRE CROSSING PROPER RULES AND REGULATIONS FOR THEIR SAFETY WHILE ON OR NEAR SUCH TRACKS, AND LICENSEE ASSUMES ALL LIABILITY FOR INJURIES TO ALL PERSONS ENGAGED IN SUCH WORK AND AGREES TO INDEMNIFY, AND SAVE HARMLESS RAILWAY COMPANY, ITS OFFICERS, EMPLOYEES, SERVANTS, AGENTS, REPRESENTATIVES, CONTRACTORS AND OTHER COMPANIES OPERATING TRAINS OVER ITS TRACKS FROM ANY LIABILITY FOR SUCH INJURIES EXCEPT WHEN THE SAME IS CAUSED BY THE SOLE NEGLIGENCE OF RAILWAY COMPANY OR SUCH OTHER COMPANIES, ITS OR THEIR EMPLOYEES.

LICENSEE AGREES TO REIMBURSE AND PAY RAILWAY COMPANY, OR SUCH OTHER COMPANIES, ANY JUDGMENTS, COSTS, AND EXPENSES OR AMOUNTS PAID OUT IN SETTLEMENT, WHICH THEY OR ANY OF THEM MAY BE PUT TO OR MAY BE COMPELLED TO PAY ON ACCOUNT OF ANY CLAIMS ARISING UNDER LICENSEE'S DUTIES OF INDEMNIFICATION, AND SAVING HARMLESS. THIS AGREEMENT IS MADE IN PART FOR THE BENEFIT OF OTHER COMPANIES OPERATING OVER RAILWAY COMPANY'S TRACKS AND ANY OF THE COMPANIES MAY SUE TO ENFORCE THE PROVISIONS HEREOF, EITHER JOINTLY OR SEVERALLY, AS THEIR INTERESTS MAY BE JOINT OR SEVERAL. NONE OF THE COMPANIES SHALL BE LIABLE FOR ANY DAMAGE (EXCEPT THAT WILLFULLY DONE) TO THE WIRE CROSSING, HOWEVER CAUSED.

It shall be the exclusive duty and responsibility of Licensee to inspect the property subject to this Agreement to make sure that it is safe for the entry of its employees, agents and contractors. Licensee shall advise all of its employees, agents and contractors entering the property of any safety hazards on the property, including, without limitation, the presence of moving vehicles, buried cables, tripping hazards and overhead wires. Licensee shall instruct all of its employees, agents and contractors entering the property that all persons, equipment and supplies must maintain a distance of at least twenty-five (25) feet from the centerline of the track unless authorized by the on-site railroad flagman to be closer than twenty-five (25) feet. Licensee shall ensure that no personnel, equipment or supplies under its control are within the clearance point of the track when moving railroad equipment may be seen from or heard at the property subject to this Agreement.

10. OTHERS NOT TO USE: Licensee shall have no right to permit others to install wires in the crossing, but if done, then the obligations, duties and liabilities herein imposed upon Licensee shall be the same as to such wires, as though they were the wires of Licensee, and Railway Company shall retain all remedies against Licensee for breach of this Agreement.

11. FEES: Licensee agrees to pay to Railway Company for the use of Railway Company's right-of-way and the privilege hereby granted, such use and privilege being expressly limited to the facilities described in Section 1 above, the one-time sum of TWELVE THOUSAND FIVE HUNDRED AND NO/100 DOLLARS (\$12,500.00) upon execution of this Agreement. Licensee shall pay Railway Company an additional license fee, set in accordance with Railway Company's then current fee schedule, for any additional pipelines, wires or facilities permitted by Railway Company and associated with the crossing.

12. TAXES: Licensee shall promptly pay all taxes, assessments and other governmental or municipal charges upon its property located upon the right-of-way of Railway Company and comply with all governmental or municipal rules and regulations covering the operation of electrical transmission lines of the character constructed, erected or operated hereunder.

13. TERM: The term of this Agreement shall be for a period of ten (10) years, beginning on the date first written above, and will automatically renew at the end of the initial ten (10) year term for additional one (1) year periods until cancelled by either party upon thirty (30) days advance notice. Notwithstanding the above, either party may terminate this Agreement at any time upon thirty (30) days written notice.

This Agreement shall continue so long as the wire crossing does not interfere with the property or the development, enlargement or improvement of the property of Railway Company, or in the opinion of the Chief Engineer of Railway Company, the wire crossing does not constitute a hazard to Railway Company's property or employees. If and when Railway Company shall require the removal of the wire crossing and another mutually satisfactory location can be found upon Railway Company's right-of-way, then the wire crossing shall be moved by Licensee promptly and at its own expense to such new location. However, if another location mutually satisfactory cannot be found for the wire crossing, then the same shall, within thirty (30) days after notice thereof to Licensee, be removed from Railway Company's right-of-way by Licensee at its own expense. If at any time Licensee shall fail to maintain its wire crossing as herein required, or such wire crossing shall, in the opinion of Railway Company's Chief Engineer, become a hazard to its property or to its employees, then the wire crossing shall be relocated, as hereinbefore provided, or shall be removed from Railway Company's premises within thirty (30) days after notice from Railway Company to remove the wire crossing.

Neither the service of the notice herein provided for, nor the termination of this Agreement shall operate in any manner whatsoever to relieve or release Licensee from any obligations or liability to Railway Company theretofore accruing under the terms hereof.

Upon the termination of this Agreement in any manner, Licensee shall immediately remove its property from the right-of-way, and in the event of its failure so to do, Railway Company may remove the same at the cost of Licensee.

Rights herein granted are personal to Licensee and may not be assigned without Railway Company's written consent. However, the provisions of this Agreement shall be binding upon the successors and assigns of both of the parties.

14. INTERFERENCE: If the operation or maintenance of the wire line shall at any time cause interference, including, but not limited to, physical interference from electromagnetic induction, electrostatic induction, or from stray or other currents with the facilities of Railway Company or of any lessee or licensee of Railway Company, or in any manner interferes with the operation, maintenance or use by Railway Company of its right-of-way, tracks, structures, pole lines, signal and communication lines, radio or other equipment, devices, other property or appurtenances thereto, Licensee agrees immediately to make such changes in its own lines and furnish such protective devices to Railway Company and its lessees or licensees as shall be necessary in the judgment of Railway Company's representative to eliminate such interference. The cost of such protective equipment and its installation shall be borne solely by Licensee.

In the event that the methods above set forth fail to eliminate such interference, and it is deemed necessary by the proper officer of Railway Company having jurisdiction therein that any or all facilities of Railway Company or of any lessee or licensee thereof shall be relocated, reconstructed or otherwise changed, the entire cost of such changes shall be borne by Licensee.

The current due to electrostatic effects shall not exceed 5.0 milliamperes, rms, to ground. In the event it is determined that such current, at any time, exceeds 5.0 milliamperes, rms, Railway Company shall have the right to require such installation or modification as may be necessary to reduce the current to 5.0 milliamperes, rms, or less, and the entire cost of the installation or modification shall be borne by Licensee.

15. ENVIRONMENTAL CLAUSE: Licensee shall not permit hazardous waste, hazardous substances or hazardous materials on or in the area covered by this Agreement without the written consent of Railway Company.

Licensee shall at all times keep the area covered by this Agreement in a safe, clean and sanitary condition, and shall not mutilate, damage, misuse, alter or permit waste therein. Should any discharge, leakage, spillage or emission of any hazardous waste, hazardous substance or hazardous material or pollution of any kind occur upon, in, into, under or from the area covered by this Agreement during Licensee's use and occupancy thereof, Licensee, at its sole cost and expense, shall clean all property affected thereby, to the satisfaction of Railway Company and any governmental body having jurisdiction thereover.

Licensee shall comply with all applicable ordinances, rules, regulations, requirements and laws whatsoever including (by way of illustration only and not by way of limitation) any governmental authority or court controlling environmental standards and conditions on the premises and shall furnish

satisfactory evidence of such compliance upon request by Railway Company. **IF, AS A RESULT OF LICENSEE'S OPERATION HEREUNDER, ANY SUCH ORDINANCE, RULE, REGULATION, REQUIREMENT, DECREE, CONSENT DECREE, JUDGMENT, PERMIT OR LAW IS VIOLATED, OR IF, AS A RESULT OF ANY ACTION BY LICENSEE, ANY HAZARDOUS OR TOXIC WASTE, MATERIALS OR SUBSTANCES SHOULD ENTER OR OTHERWISE AFFECT ANY PART OF THE AREA COVERED BY THIS AGREEMENT (INCLUDING SURFACE, SUBSURFACE, AIRBORNE AND/OR GROUND CONTAMINATION), LICENSEE SHALL INDEMNIFY, AND SAVE HARMLESS RAILWAY COMPANY, ITS OFFICERS, EMPLOYEES, SERVANTS, AGENTS AND REPRESENTATIVES FROM AND AGAINST ANY PENALTIES, FINES, COSTS, RESPONSE, REMEDIAL, REMOVAL AND CLEAN-UP COSTS, CORRECTIVE ACTION, NATURAL RESOURCE DAMAGE AND DAMAGES AND EXPENSES OF ANY OTHER NATURE WHATSOEVER, INCLUDING LEGAL FEES AND COURT COSTS, IMPOSED UPON OR INCURRED BY RAILWAY COMPANY, ITS OFFICERS, EMPLOYEES, SERVANTS, AGENTS AND REPRESENTATIVES, CAUSED BY, RESULTING FROM OR IN CONNECTION WITH SUCH VIOLATION OR VIOLATIONS.**

FOR THE PURPOSES OF THIS ENVIRONMENTAL SECTION, LICENSEE AGREES TO INDEMNIFY, AND SAVE HARMLESS RAILWAY COMPANY, ITS OFFICERS, EMPLOYEES, SERVANTS, AGENTS AND REPRESENTATIVES FROM AND AGAINST ANY AND ALL CLAIMS, DEMANDS, ACTIONS, LIABILITY, RESPONSIBILITY AND CAUSES OF ACTION (WHETHER ARISING IN OR OUT OF TORT, CONTRACT, STRICT LIABILITY, OR OTHERWISE) ASSERTED AGAINST THEM FOR DEATH, INJURY, LOSS OR DAMAGE RESULTING TO RAILWAY COMPANY'S EMPLOYEES OR PROPERTY, OR TO LICENSEE OR LICENSEE'S EMPLOYEES OR PROPERTY, OR TO ANY OTHER PERSONS OR THEIR PROPERTY, AND FOR ALL PENALTIES, FINES, COSTS, RESPONSE, REMOVAL, REMEDIAL AND CLEAN UP COSTS, CORRECTIVE ACTION, NATURAL RESOURCE DAMAGE AND DAMAGES AND EXPENSES OF ANY OTHER NATURE WHATSOEVER, INCLUDING LEGAL FEES AND COURT COSTS, ARISING FROM, RELATED TO OR HAPPENING IN CONNECTION WITH THE BREACH OF THE DUTIES, OBLIGATIONS AND RESPONSIBILITIES OF LICENSEE AND ITS AGENTS, REPRESENTATIVES, SERVANTS, EMPLOYEES AND CONTRACTORS UNDER SECTION 15 OF THIS AGREEMENT.

FOR THE PURPOSES OF THIS ENVIRONMENTAL SECTION, LICENSEE FURTHER AGREES THAT ITS OBLIGATIONS OF INDEMNITY, SAVING AND HOLDING HARMLESS HEREUNDER PURSUANT TO THIS SECTION SHALL BE STRICT AND ABSOLUTE, AND SHALL REMAIN IN FULL FORCE AND EFFECT IRRESPECTIVE OF ANY NEGLIGENCE ON THE PART OF RAILWAY COMPANY.

16. REQUIRED INSURANCE: So long as this Agreement is in effect Licensee agrees to maintain comprehensive general liability and contractual liability insurance with minimum limits of two million dollars (\$2,000,000.00) per occurrence, four million dollars (\$4,000,000.00) aggregate. Licensee shall provide automobile liability coverage in the amount of one million dollars (\$1,000,000.00) combined single limit. In addition, Licensee shall provide or require minimum statutory worker's compensation coverage for all covered employees who are on Railway Company's property. Licensee must also provide a Railroad Protective Liability Insurance policy naming the Railway Company as the Named Insured with coverage limits of at least two million dollars (\$2,000,000.00) per occurrence and six million dollars (\$6,000,000.00) aggregate. The original Railroad Protective Liability policy shall be promptly furnished to Railway Company. Each policy

must be issued by financially reputable insurers licensed to do business in all jurisdictions where work is performed during the term of the Agreement. A certificate of insurance will be provided to Railway Company by Licensee, reasonably satisfactory to Railway Company in form and content, evidencing that all required coverage is in force and have been endorsed to provide that no policy will be canceled or materially altered without first giving the Railway Company thirty (30) day's prior written notice. Commercial general liability policy will name Railway Company as an additional insured and, to the fullest extent allowed under law, will contain a waiver of subrogation in favor of Railway Company. All policies will be primary to any insurance or self-insurance the Railway Company may maintain for acts or omissions of Licensee or anyone for whom Licensee is responsible. Any deductible or self-insured retention on the required insurance shall be the responsibility of Licensee. Licensee will include copies of relevant endorsements or policy provisions with the required certificate of insurance. Nothing contained in this Section limits Licensee liability to the Railway Company to the limits of insurance certified or carried by Licensee. If Licensee utilizes subcontractors in performance of this Agreement, the subcontractors must meet the same insurance requirements as the Licensee. If a subcontractor does not meet the coverage requirements of this Section, subcontractor must either supplement the deficient areas of coverage or Licensee must certify that Licensee has acquired sufficient coverage to supplement the deficiency of subcontractor.

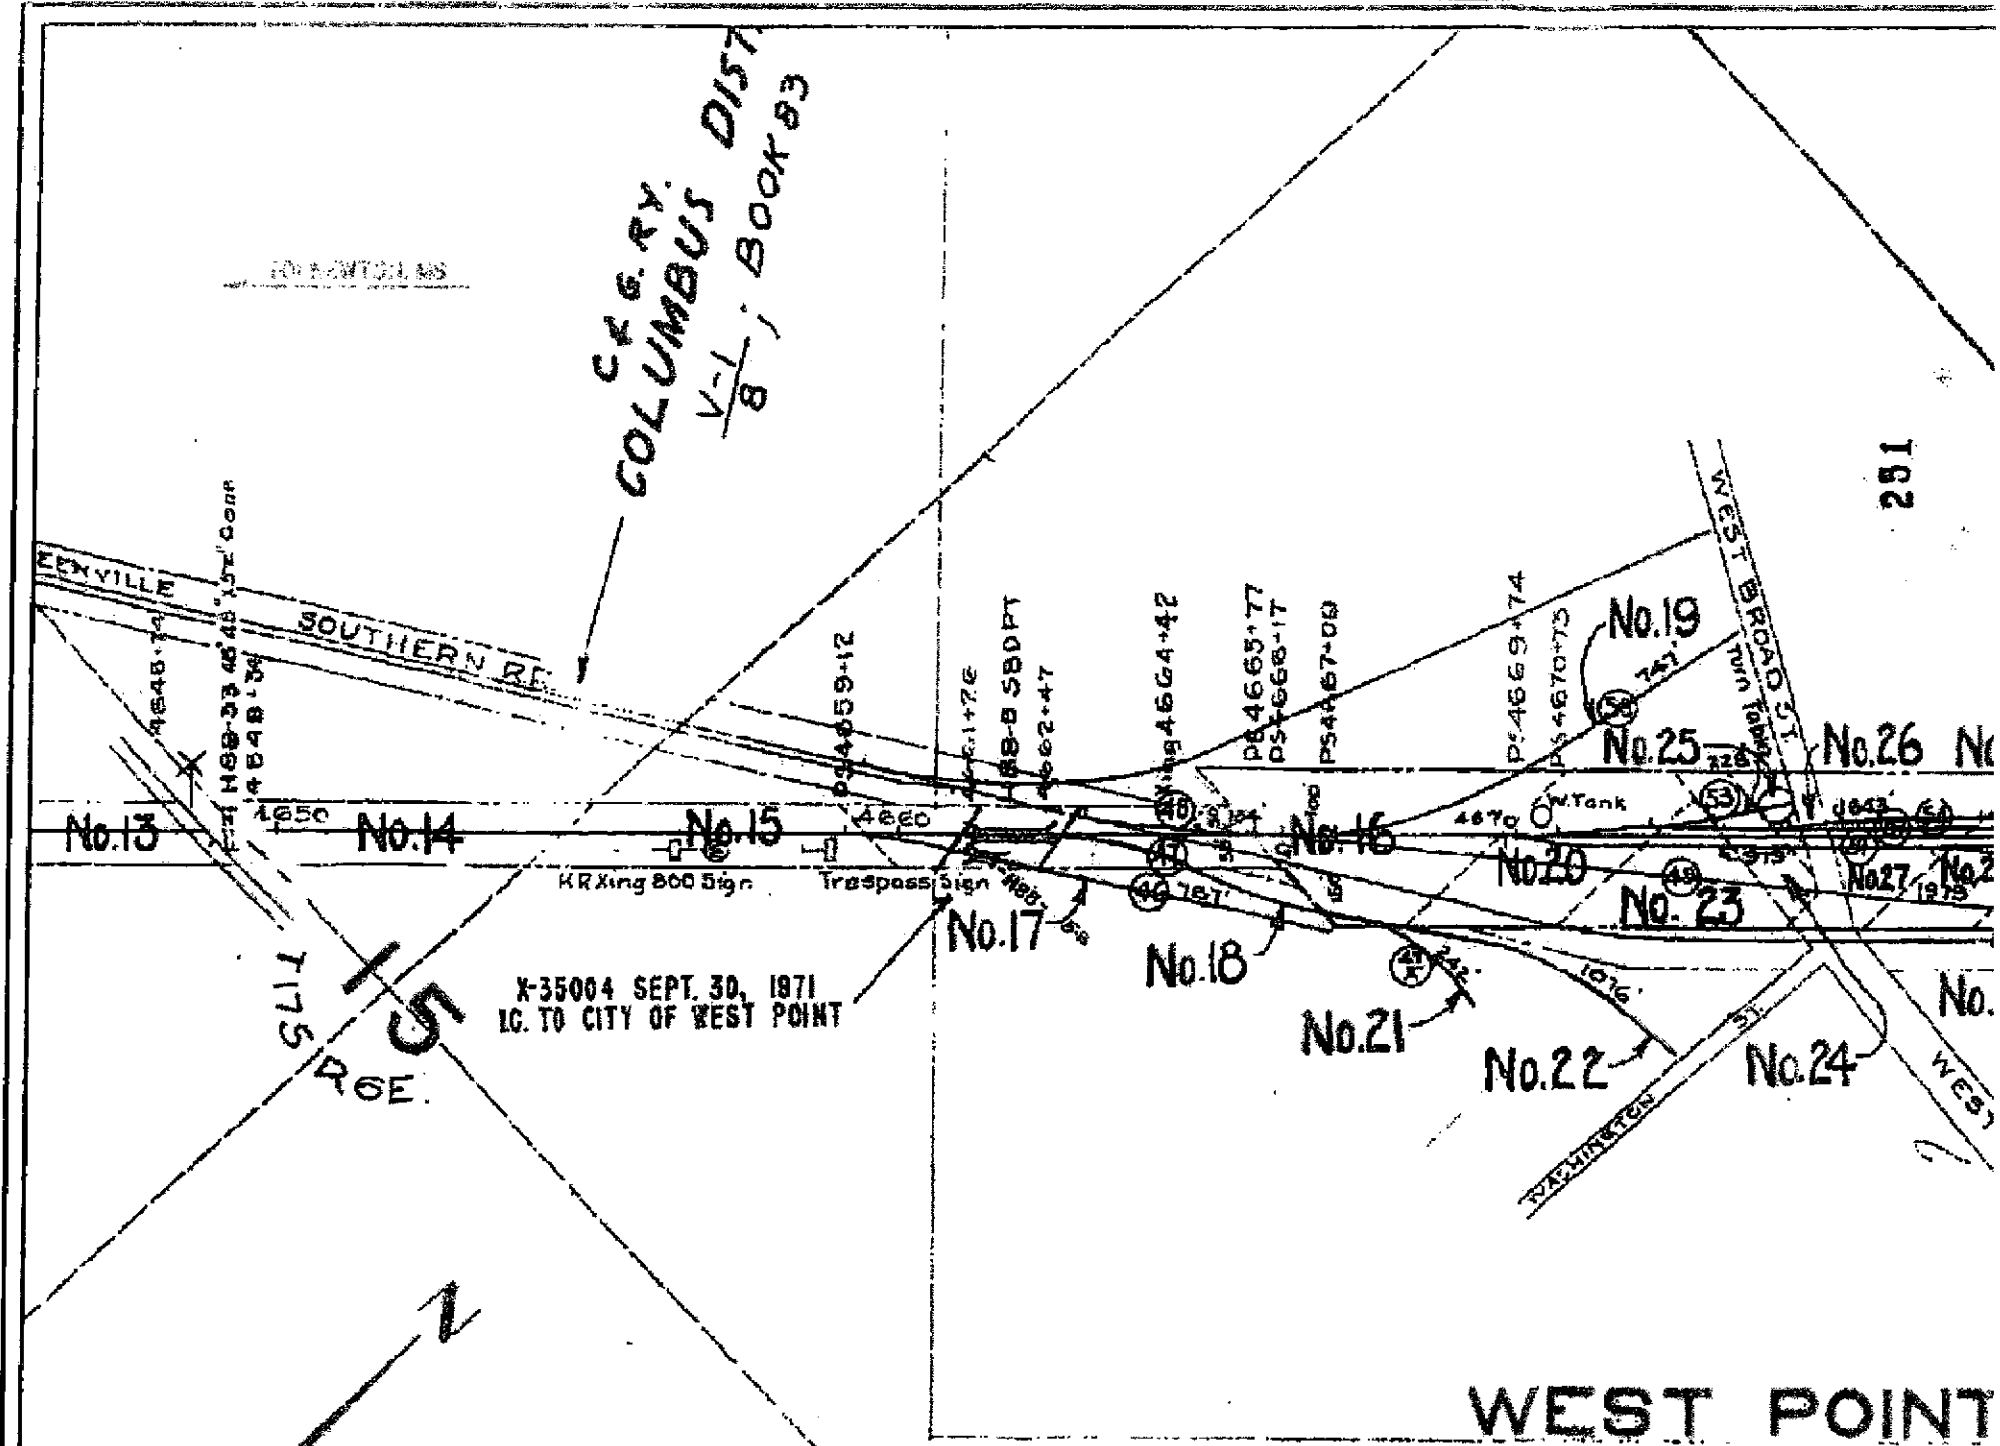

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed in duplicate by their authorized representatives as of the date first above written.
