WHEREAS, Article Six, Section 170 of the Mississippi Constitution and Section 19-3-41 of the Mississippi Code of 1972, as amended and annotated, grant jurisdiction over roads and all matters of County Police to Boards of Supervisors; and

WHEREAS, Chapter 5, Title 19 of the Mississippi Code of 1972, as amended and annotated, authorizes counties to protect the general health, safety and welfare of its citizens where the Legislature has not made provision; and

WHEREAS, Section 19-3-40 of the Mississippi Code of 1972, as amended and annotated, the "home rule" statute, grants counties the power to adopt ordinances respecting county affairs for which no specific provision has been made by the Legislature and which is not inconsistent with the Mississippi Constitution; and

WHEREAS, Clay County is in the process of creating a long-term comprehensive development plan for the benefit of its citizens and the adoption of an ordinance regulating public assemblage will enhance such plan; and

WHEREAS, the Clay County Board of Supervisors has received significant accounts of places of public assemblage, including roadhouses, nightclubs, dance halls and the like, within and without of the County which contribute to littering, public intoxication, controlled substance violations, noise, disorderly conduct, assaults, overcrowding and traffic congestion limiting emergency responders in the performance of their duties, and, additionally, some of these assemblages have permeated conspiracies of silence, allowing violators to escape the administration of justice, and which are managed without adequate attention to these problems; and

WHEREAS, on numerous occasions, the impact of these business operations has been more significant when the establishment is hosted by an entertainment promoter for a special event or performance, or the like when the establishment fails to alert law enforcement of criminal conduct occurring during operations; and

WHEREAS, some of those operations are located in buildings which are not in compliance with current building and/or National Fire Protection Association standards, causing a safety hazard for the occupants, customers and patrons of said buildings.

NOW THEREFORE, BE IT ORDAINED by the Board of Supervisors of Clay County, Mississippi:

Any party in disagreement with the interpretation of the regulating authority may file a written appeal to the Regulations Committee as described in Article V. Upon receipt of a written appeal, the Regulations Committee shall schedule a meeting with the appellant within thirty (30) calendar days to hear testimony from both sides and to render a decision as outlined in Article III. - 1) A building, part of a building, or outdoor location may be occupied and used as a place of public assemblage by a person, entity or organization other than the owner or full-time lessee, only when the operator, promoter or any borrower has been issued a permit which is in effect under the provisions of this article;

- 1) If a permit is suspended or revoked, no entertainment activities, including amplified music, whether live or programmed, dancing, table games or video games may be conducted on the premises. If any entertainment activities occur during a period of suspension or revocation, the privilege license and certificate of occupancy shall be revoked. Such suspension or revocation does not otherwise affect the sale or purchase of the realty or personalty during the suspension or revocation.
- 2) The Regulations Committee may permanently revoke a permit for two or more violations within the provisions of this ordinance in a twelve (12) month period or for more than three violations of the provisions of this ordinance. Such permanent revocations shall also result in the revocation of the privilege license and certificate of occupancy.
- 3) Such suspension shall be held in abeyance for a period of three (3) business days to permit the owner, lessee, manager, host, agent, etc. to appeal the suspension or revocation. Notice of the suspension or revocation shall be by certified mail, hand delivery, or by leaving notification at the door of the permittee's location.
- 4) A permit shall not be suspended or revoked for a violation of Article IV which is not a public safety concern unless the violation is found to have continued or recurred after the permittee had received notice of the violation and an opportunity to remedy or prevent the violation's occurrence.

(F) Emergency Temporary Suspension by Sheriff: The Sheriff's on-duty field Supervisor/Commander may temporarily suspend the establishment's permit if he/she determines that an immediate suspension is necessary to restore order for failure to comply with Article IV security requirements or events endanger the life, health and safety of customers/patrons or neighbors of the establishment or any call for service at the location as follows:

The Sheriff and/or his designee shall, within five (5) business days, submit a finding to the Regulations Committee, either

- 3) Within three (3) business days of receiving notice of denial, suspension or revocation of the permit, the permittee or applicant may appeal the action by filing a written notice of appeal with the Regulations Committee at the Office of the County Administrator.
- 4) The Regulation Committee will conduct a hearing as promptly as possible, and within five (5) business days of receiving the written notice of appeal, to determine whether to: (a) reinstate or issue the permit; (b) temporarily suspend the permit; or (c) permanently revoke the permit.

- 6) A temporary suspension may not extend beyond the date on which the permit expires. Any such suspension or revocation does not otherwise affect the owner's sale of the premises or personalty. The Regulations Committee shall prepare written findings and conclusions concerning the appeal decision within five (5) business days of the hearing.

(G) Appeal Procedure Concerning Imposition of Supplemental Security Requirement (Article IV, Item H):

- 1) Within ten (10) business days of receiving notice that the business has become subject to the supplemental security requirement, the permittee may appeal the action by filing a written notice of appeal with the Regulations Committee. The Regulations Committee will conduct a hearing as promptly as possible, and within five (5) business days of receiving the written notice of appeal, to determine whether to: (a) continue imposition of the security requirement; (b) continue imposition of the security requirement, but shorten the requirements; or (c) remove the security requirement.
