It is a pleasure to submit for your consideration the following proposal to provide lease purchase financing based on the terms and conditions set forth below

- |                                |  |
|--------------------------------|--|
| 1 <u>Lessor</u>                | BancorpSouth Equipment Finance a division of BancorpSouth Bank   |
| 2 <u>Lessee</u>                | Clay County  |
| 3 <u>Equipment Description</u> | 2010Mack CHU Truck   |
| 4 <u>Equipment Cost</u>        | \$97,530.00  |
| 5 <u>Lease Term</u>            | 2 Years  |
| 6 <u>Lease Payments</u>        | (These are approximate payment amounts. The actual payment will be determined at funding date.)<br><br><b>24 Monthly payments of \$1,881.57 w/ balloon \$57,500.00 due 1 month after final payment</b>   |
| 7 <u>Lease Rate</u>            | 3.17%  |
| 8 <u>Funding Date</u>          | This proposal is contingent upon the equipment being delivered and the lease funded prior to 5/31/2010. If the equipment is not delivered and the lease funded prior to 5/31/2010, this proposal is null and void. Any extension of the funding date must be in writing. |
| 9 <u>Purchase Option</u>       | Title is passed to Lessee at lease expiration for no further consideration.  |

10 Non-appropriation/Termination The lease provides that Lessee is to make reasonable efforts to obtain funds to satisfy the obligation in each fiscal year. However the lease may be terminated without penalty in the event of non-appropriation. In such event the Lessee agrees to provide an attorney's opinion confirming the events of non appropriation and Lessee's exercise of diligence to obtain funds.

11 Bank Qualification This lease purchase financing shall be designated as a bank qualified tax-exempt transaction as per the 1986 Federal Tax Bill. This means that the Lessee's governing body will pass a resolution stating that it does not anticipate issuing more than \$30 million in General Obligation debt or other debt falling under the Tax Bill's definition of qualifying debt during the calendar year that the lease is funded.

12 Tax Status This proposal is subject to the Lessee being qualified as a governmental entity or political subdivision within the meaning of Section 103(a) of the Internal Revenue Code of 1954 as amended within the meaning of said Section. Lessee agrees to cooperate with Lessor in providing evidence as deemed necessary or desirable by Lessor to substantiate such tax status.

13 Net Lease This will be a net lease transaction whereby maintenance, insurance, taxes (if applicable), compliance with laws and similar expenses shall be borne by Lessee.

14 Financial Statements Complete and current financial statements must be submitted to Lessor for review and approval of Lessee creditworthiness.

15 Lease Documentation This equipment lease purchase package is subject to the mutual acceptance of lease-purchase documentation within a reasonable time period otherwise payments will be subject to market change.

If the foregoing is acceptable, please so indicate by signing this letter in the space provided below and returning it to BancorpSouth Equipment Finance. **The proposal is subject to approval by BancorpSouth Equipment Finance's Credit Committee and to mutually acceptable terms, conditions and documentation.**

This proposal expires as of the close of business on 4/15/2010. Extensions must be approved by the undersigned.

Any concerns or questions should be directed to Bob Lee at 1-800-222-1610.

**Engine**

- 1 Engine must be the original engine produced in the truck. If the engine has been replaced, owner must identify it as such and valuation may be altered based on engine age, mileage and other factors.
- 2 Engine must operate at a minimum of 80% of the original manufacturer's rated horsepower after allowing for driveline losses and as verified by a chassis dynamometer test.
- 3 Engine must be mechanically sound and within the manufacturer's specifications relating to oil pressure, coolant temperature and pressure and fuel pressure. Engine must have no leaks and be free from contamination. Crankcase blow-by must be within specification. Engine password must be cleared.
- 4 Engine air compressor must meet the manufacturer's performance specifications and must not exceed the manufacturer's maximum tolerances for oil blow-by (oil blown into the air system).
- 5 Batteries, starter, alternator and other ignition system components must be in sound condition. Batteries must be original CCA rating, capable of holding a charge and start the truck unassisted.
- 6 Air conditioning compressor must be operational and system must be free from defects and operate as intended.
