SO ORDERED this the 5th day of August, 2010

PRESIDENT

**PROGRAM, AGREEMENT AND PROJECT ORDER FOR INSPECTION OF
DESIGNATED BRIDGES IN CLAY COUNTY, MISSISSIPPI
FOR THE FISCAL YEAR OF 2011**

Pursuant to the provisions of governing State and Federal Laws and Regulations, We, the Board of Supervisors of Clay County, Mississippi, hereinafter referred to as the Board, hereby order that the proposed project listed hereon constitute the Bridge Inspection Program for Clay County, subject to the approval of the State Aid Engineer and Concurrence by the Executive Director of the Mississippi Department of Transportation

In support of this order, the Board certifies and agrees that

- 1 All designated bridges affected by this project are on roads under local jurisdiction (County or City) and are to be inspected, inventoried and evaluated in accordance with the National Bridge Inspection Standards (23 CFR 650 C) hereinafter referred to as the NBIS
- 2 The Board has employed a Registered Professional Engineer as County Engineer who will provide such other qualified technical personnel to properly supervise and perform the required work in compliance with the rules and regulations of the NBIS and any additional instructions/guidance provided by the State Aid Engineer
- 3 The County Engineer will provide at least one team leader, who meets the minimum qualifications stated in § 650 309 of the NBIS, at the bridge at all times during the inspection as in accordance with required § 650 313 of the NBIS
- 4 The supervision of all phases of the inspection, inventory and evaluation will be the responsibility of the Board, acting through its County Engineer
- 5 A bridge scour plan of action will be prepared, or revised for the scour critical bridges and all bridges identified as scour critical and will be monitored in accordance with the plan and regulations set forth in Section 650 313 of the NBIS and the Bridge Inspection Manual prepared by the Office of State Aid Road Construction. The Board designates *Lynn Hector, Luke Lunnas, R BIDAV, Floyd McKee, Shelton Dames* as its representative to make scour stability assessment(s) in response to

conditions that require an inspection as set forth in the scour plan of action for each scour critical structure. The representative's address and phone number is

_____ If the assessment results in closure of the bridge, the representative shall take action to close the bridge in accordance with the bridge scour plan of action. If a bridge has been closed or the Board chooses to cause an inspection to be made, a certified bridge inspection team will be required to perform the inspection. The representative will contact the County Engineer to request such an inspection. The cost of the inspection of a scour critical bridge following a bridge closure shall be the responsibility of the Board.

- 6 The County Engineer will maintain a bridge file on behalf of the County for each bridge in accordance with the regulations set forth in § 650.313 (d) of the NBIS. Bridge files shall remain the property of the Board.
- 7 The County Engineer will provide a Quality Control Manager (QC Manager) as set forth in the National Bridge Inspection Local System Manual, Section 16 Quality Control Program. The QC Manager shall meet or exceed the requirements of subsection 4.4 of the National Bridge Inspection Local System Manual.
- 8 The number of bridges selected for evaluation and a follow-up on site inspection by the QC manager will be 5% of the county inventory or a minimum of 5 bridges.
- 9 All components of the bridge file will be made available to authorized representatives of State Aid and/or FHWA for inspection and review at all reasonable times in the General Offices of the County Engineer.
- 10 After final completion of the work and acceptance by the State Aid Engineer, the Board will be paid on the basis of the final quantities at the agreed unit prices specified below.
- 11 The inspection shall be completed on or before February 1, 2011.
