IN THE MATTER OF TRANSFERRING FUNDS

There came on this day for consideration the matter of transferring \$12,785 39 from Fund No 154, District 4 Road Fund, and No 013, Utilization Fund, to Fund No 310, DTL Building Construction Fund

It appears to this Board that it is necessary to transfer \$12,785 39 to Fund No 310, DTL Building Construction Fund in order for the said fund to not be overdrawn. It appears that during the construction process and the issuing of debt obligation the cost of architect fees was not factored into the cost of note issuances of 2011 and 2012 and, at this time, Fund No 310, DTL Building Construction Fund, appears to be short on funds and in order for said claims to be paid and the fund not to be overdrawn, it is necessary that half of the \$12,785 39 should be transferred from Fund No 154, District 4 Road Fund, and the other half being transferred from Fund No 013, Utilization Fund

Upon motion by Shelton Deanes and second by Floyd McKee, this Board doth vote unanimously to transfer \$12,785 39 with half of these proceeds being transferred from Fund No 154, District 4 Road Fund, and the remaining half being transferred from Fund No 013, Utilization Fund

SO ORDERED, on this the 7th day of June, 2012
