**IN THE MATTER OF A COUNTY DEPOSITORY
FOR CLAY COUNTY, MISSISSIPPI**

WHEREAS, this Board finds and adjudicates that at a former meeting of this Board an Order was entered for the publication of a notice to banks of Clay County, Mississippi for the filing of sealed bids for the privilege of keeping the County funds for years 2013 and 2014, as provided by Section 27-105-305 of the *Mississippi Code of 1972* as amended, which notice was duly published in said Clay County, Mississippi, on December 12th, and 19th, 2012, and that such bids would be received until 10 00 o'clock a m on the 7th day of January, 2013, and that proof of publication is now on file in the office of the Clerk of this Board and appears to this Board the time for filing of such bids has now expired, and

It appears to this Board bids for primary depository consideration have been received from Cadence Bank and Renasant Bank of which agreed to comply with all of the Laws of the State of Mississippi with respect to depositories, and offered to pay interest on all monies deposited in savings accounts or time certificates left on deposit over thirty (30) days at the maximum interest rate, and

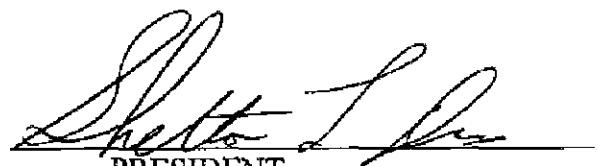

It appears to this Board that BankFirst Financial Services and Bancorp South did not submit a bid but did submit a request to be designated as a County Depository for any future engagements, and

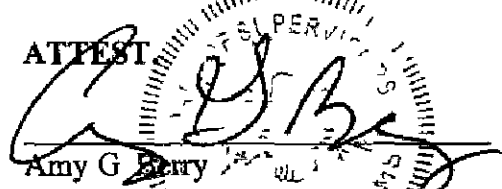

It appears to this Board that all banks are qualified and competent to act as County Depositories, and that it would be in the best interest of Clay County, Mississippi and the funds of the County for all banks which submitted bids to be selected and designated as County Depositories

WHEREAS, the Board now finds and determines that the said banks qualify as depositories under Section 27-105-305 of the *Mississippi Code of 1972*, and that Renasant Bank shall serve as the primary depository because of their bid of 03 % guaranteed rate on the County's demand deposit accounts and savings accounts

NOW, THEREFORE, IT IS HEREBY RESOLVED AND ORDERED that Bancorp South, BankFirst Financial Services, Cadence Bank, and Renasant Bank, be and are hereby selected, appointed, and designated as County Depositories for the calendar years 2013 and 2014, and that Renasant Bank shall serve as the primary depository for the County

RE Treasury Management Proposal

Dear Ms Berry

Thank you for the opportunity to submit a bid proposal to serve as the depository bank for Clay County for the time period of January 7, 2013 through January 5, 2015. This proposal outlines a special interest rate along with additional services that Renasant Bank could provide through our Treasury Management Department.

Our proposal includes the following:

1. Renasant Bank will provide all statements as of the last working day of each month, (or use your own unique statement calendar) along with Check 21 compliant images.
2. Renasant Bank will not charge a monthly maintenance fee, nor will there be a charge for returned deposit items, stop payments or NSF Checks.
3. Enhanced Business Internet Banking services will be provided at \$15.00 per month up to 6 deposit accounts. This service would provide Clay County with administrator assigned internet banking capabilities to view account balances, initiate account transfers, stop payments and view day-to-day account activity.
4. Renasant Bank now offers Business Check Express which would allow Clay County the ability to scan the checks for deposit from your office and have them be deposited directly to your Renasant Bank account without having to visit your local branch. Items deposited through this device will have a faster collection time resulting in an increased interest accrual. If more information is needed, a Treasury Management Representative could review the benefits and features of this service.
5. All ACH services including direct deposit and automatic draft payments can be provided with no setup fees. The monthly fee for the service would be \$25.00 with a 0.12 cents per transaction fee. ACH services can also provide multi-level approvals and hierarchical batch controls, state and federal tax templates, easy-to-use spreadsheet format, automatic prenotes (if desired), audit trail and reporting capabilities, 128-bit Secure Socket Layer (SSL) user authentication and encryption, and generated offset accounts with daily and monthly debit and credit limits.

- 6 Renasant Bank offers personal service with fast and timely problem resolution to all clients. Renasant Bank has extensive experience in handling large municipal deposits in the state of Mississippi for the last 108 years.
- 7 Renasant Bank will issue Night Depository bags and keys free of charge.
- 8 Renasant Bank will provide a one time \$250.00 allowance to be used toward the purchase of checks or deposit slips from a vendor of your choice.
- 9 A safe deposit box will be provided free of charge based on availability.
- 10 A special interest rate on the interest bearing checking account(s) at a fixed rate will be 0.03% APY (3 basis points) for the time period of January 7, 2013 and ending January 5, 2015.

In summary, Renasant Bank can offer all the previous listed services along with a special interest rate. The deposits that are referenced in this bid are to be regular tax collection funds or other revenues normally generated by Clay County that would be placed in transactional accounts. Bond proceeds, special project funds or any other type funds not normally derived from tax collections and certificate of deposits will be offered a competitive rate based on market conditions at that time. For this reason, we are limiting the account balances to twenty million dollars.

Renasant Bank participates in the State of Mississippi Guaranty Pooling Program, therefore, all securities detail for pledging purposes is provided to the State of Mississippi Treasury Department. Renasant Bank complies with the Mississippi Code of 1972, Section 27-105-315. If you should have any questions, please feel free to call me at (662) 495-5436.

Sincerely,

RE Bid for Depository

Dear Mrs Berry

We appreciate very much the opportunity to submit a bid for the county depository for the term of January 2013- January 2014. It would be our pleasure to serve as the primary depository for the county.

We would like to offer you a fixed rate of 0.10% (10 basis points). In addition to the interest rate, we would also like to offer an Earnings Credit Rate (ECR) to help offset charges to your account. Today's ECR is .45% and is subject to change monthly. I have also attached a proforma, disclosing any fees that could be charged to your account that aren't offset by balances. I would be happy to explain this in more detail, since the ECR is significantly higher than the interest rate on balances.

Additional recommendations or solutions we would like for you to consider would include:

- **One Card Solution** to easily manage travel and entertainment expenses, along with vendor payments through a secure platform. Gain control of spending and transactions, automated posting files, and the potential for an attractive annual cash rebate.
- **Remote Deposit Capture** allows you to process your checking deposits directly from your office. Checks are scanned and transmitted via a secure network directly from your office to Cadence Bank.
- **Payroll Cards** are re-loadable and provide you and your employees with a convenient, low-cost alternative to payroll checks.

- **Merchant Service** allows you to accept credit or debit cards by using a terminal or through web based merchant capabilities
- **Multibank Balance Reporting** allows for users to see all account balances for all entities no matter where the account is opened
- **Lockbox Receivable Processing** ensures daily processing of all client receivables while capturing Accounts Receivable posting detail and creating an image archive
- **Positive Pay** is a cash management service used to minimize potential fraud on checks or electronically created debits issued by your business **Positive Pay Reconciliation** exports at no charge allowing for an inexpensive tool compatible with your accounting software
- **Payables (A/P) Lockbox** eases the pain of imaging, routing and approving your payables
- **Outsourced Disbursements** Checks printed, stuffed and mailed at a discounted bulk rate, provides a soft charge through your account analysis so your balances can help offset the service fee

Thank you for giving Cadence Bank the opportunity for bid on your depository accounts and to provide our services you

Sincerely,

**IN THE MATTER OF ACCEPTING AND AWARDING SUPPLY AND MATERIAL
BIDS FOR YEAR 2013**

There came on this day for consideration the matter of accepting and awarding supply and material bids for year 2013

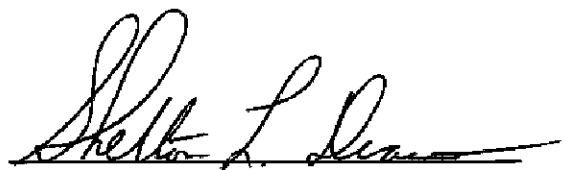

It appears to this Board at the last meeting held on Monday, January 7, 2103 the Board took the supply and material bids received for year 2013 under advisement for further review, and

It appears that the bids received have been studied to determine the lowest and best bids with the exception of 1) Wash Gravel Districts 1, 2, 3, and 5 are choosing to use Bacco at \$9 25 per ton due to the distance to APAC and Parker Sand and Gravel logistically positioned too far from each district and not cost effective to travel, and Preston Dobbs does not weigh gravel and therefore BACCO produces more of a cleaner grade of gravel and District 4 is choosing Parker Sand and Gravel for Wash Gravel at the price of \$8 15 per ton due to it being located a few miles from the County 4 Barn, and

It appears further on purchases of 2) Oversized gravel for District 1, 2, 3, and 5 Bacco Materials at a price of \$11 75 per ton will be logistically closer to these districts than Parker Sand and Gravel, however, District 4 chooses to go with Parker Sand and Gravel at \$11 00 per ton due to it being located a few miles from the County Barn

After motion by Lynn Horton and second by Floyd McKee this Board doth vote unanimously to accept the bids as reflected in the 2013 Bid List as attached hereto as Exhibit A

Dear Sirs

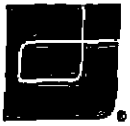

Thank you for your invitation to bid on your CRS-2 emulsified asphalt requirements and your asphalt cement requirements for the period January 7, 2013 until January 6, 2014. However, we are unable to submit a quotation due to your requirement that the prices are firm for the term of the solicitation period.

Please continue to keep us on your bidders list and perhaps in the future your policy will change and we can submit a quotation.

Sincerely,

In addition to bidding as heretofore requested in No. 10 above, bidders are also requested to bid on the item to each respective Supervisor's District, whereby the Board could accept bids for those road building materials on a per-district basis as well as a County-wide basis. The Board specifically requests that bids for these items be on a ton-per-yard basis rather than by weight.

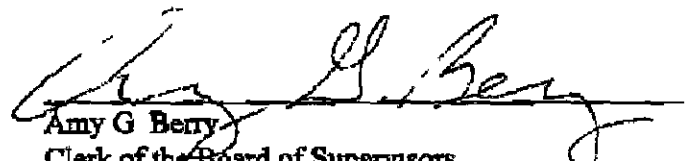

The outside of each bid should clearly list and specify each and every item being bid upon.

The Board intends to accept the lowest and best bid for all items on which they receive bids, and it shall be within the discretion of the Board to determine and adjudicate which bid or bids represent the lowest and best bid on any and all items on which bids are received

It is the intention of the Board of Supervisors that bidders specify within the bid, each and every item and price per item upon which they are submitting bids, and further, the Board does not wish to receive bids that provide for change in price during the term for which bids are submitted. The Board does not desire to receive bids providing for discounts, but desires to receive "net price" bids

The Board reserves the right to accept and reject all bids received and to waive any and all formalities with the acceptance or rejection of bids

To The Honorable Board of Supervisors,

As many of you know, Fulton Pipe & Construction is a family owned and operated business. We pride ourselves on being a reputable company with an Outstanding History of PROMPT and FRIENDLY Service. Our turnaround time is unbeatable.

We are a certified dealer of Advance Drainage Systems for N12 Polyethylene culverts, also known as AASHTO. We also carry ASTM – a recycled pipe product. ASTM is made from 60% recycled resin and 40% virgin resin. It is a cost efficient product with as much durability as AASHTO pipe. Fulton Pipe & Construction carries sizes 4" – 60" pipe, with all fittings imaginable to fit all the pipe, 4" – 60". Fulton Pipe & Construction's inventory is the BEST in the State of Mississippi.

As authorized distributors of ADS, Fulton Pipe & Construction would like to be your choice as the Servicing Distributor for your county. If selected, we can provide 3 to 5 day delivery on all standard orders with expedited emergency service. Additionally, if requested, we will offer guidance and engineering services on special projects.

Thank You for Your Consideration

BID ATTACHMENT

To be able to provide the best possible service for **Clay County**, the bid dated January 7, 2013 by Advanced Drainage Systems, Inc can be serviced by any ADS / Hancor authorized distributor

We would like for **Clay County** to accept our bid as a guarantee for the price quoted. At the same time, we urge the County to take advantage of our ADS / Hancor distribution network throughout the State of Mississippi. The County can take advantage of this network by ordering their pipe from any of our authorized ADS / Hancor distributors. Many of our distributors have a local presence including inventory and delivery trucks to be able to provide the HDPE pipe exactly when and where the County needs it. This way the County will receive the best of both worlds price and service.

To make sure that the County is aware of the authorized ADS / Hancor distributors in their area, the local distributors will submit a letter from ADS / Hancor as proof of their authorization. This authorization letter will be accompanied by the local distributor's contact information needed by the County to place orders.

We are hoping that this program dramatically increases our service to **Clay County**. We look forward to earning your business.

SECURITY SYSTEM FOR THE BACK DOOR ENTRANCE**

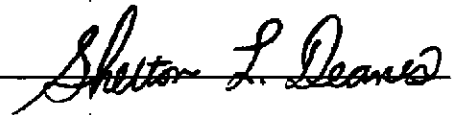

There came on this day for consideration the matter of changing the locks for the front door of the Courthouse, purchasing metal detectors, and a card swipe security system for the back door entrance

It appears to this Board the security measures of the Clay County Courthouse need to be increased in order to ensure the safety of County Employees, Constituents coming in and out of the courthouse to conduct business, and when Court is in session, and

It appears the cost to purchase two (2) metal detectors from Auto Clear is \$ 2,415 00 each, the cost to change the locks on the front doors would cost, approximately, \$71 50, by James McManus, and the cost to purchase and install the card swipe system for the back door entrance allowing only egress from the building would cost, approximately, \$ 3,415 80, to be installed by Security Solutions

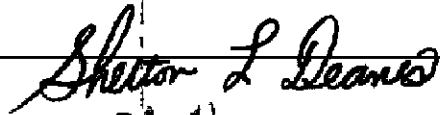

After motion by Lynn Horton and second by Floyd McKee this Board doth vote unanimously to make the purchases as described above in order to tighten security measures at the Clay County Courthouse to ensure the safety of everyone
