Re Mississippi Association of Supervisors Insurance Trust (MASIT)

Dear Ms Berry

We appreciate the Board's consideration of the Mississippi Association of Supervisors Insurance Trust ("MASIT") as a provider of coverage for your county. The Mississippi Association of Supervisors ("MAS"), on your behalf, has formed MASIT in an effort to provide excellent protection, stability in pricing and the best premiums over the long term for Mississippi counties. We are proud to announce that MASIT has been approved as a public entity pool provider by the Mississippi Tort Claims Board in accordance with state law.

Attached to this letter is MASIT's quote proposal for your county. We have prepared this quote based on the information you or your agent provided to us for use in underwriting. You may choose to bind property coverage only, casualty coverage only or both property and casualty coverages. Be sure to indicate which or all lines you decide to choose on the binder page which is the last page of this quote proposal.

Quotes are contingent upon receipt and review of loss runs for all lines valued within the last 90 days.

When comparing MASIT's proposal to other quotes, please keep the following items in mind with regard to private carriers:

MASIT offers you property coverage on a blanket basis. If you do not have such coverage, then any property you have not specifically scheduled and paid a premium for will not be covered. Carefully review all deductibles and sub limits of the coverages you are being quoted. Sub limits contained in "small print" may offer you very little coverage for wind, flood, earthquake and related perils. MASIT's sub limits are broad in scope and our deductibles may well be lower than those you have been paying.

Like MASIT's coverage, property should be insured on a replacement cost basis and not on an actual cash value basis.

MASIT's quote includes builders' risk protection and so should any other coverage you are considering.

793 North President Street Jackson Mississippi 39202
Phone 601 353 2741 Fax 601 353 2749 www.mssupervisors.org

0476

MASIT will provide appraisal services at no cost to you and you are unlikely to get that from private carriers,
MASIT offers fairly high limits of liability and you should check all quotes to see what limits are contained in those quotes for auto and general liability coverages,
MASIT offers claims and loss control services as a part of its quote and you should be certain any other proposals you are considering do as well
MASIT has included a very comprehensive Cyber Risk insurance product as part of our program.
MASIT provides coverage for volunteer fire and EMT's as long as information is included in submission to MASIT

MASIT believes the coverages, deductibles, terms and premiums included in its quote are very competitive Upon review, should you have any questions or would like alternative deductibles or added coverages, please let us know MASIT is your Trust and our goal is to provide each county with the coverage best suited to them at competitive terms If you choose to join MASIT, you will be one of its owners and we commit to operate MASIT in a way that will meet all your needs and will help your county

Sincerely,

Derrick Surette
Executive Director
Mississippi Association of Supervisors

Notice

This proposal provides coverage under the authority of Miss. Code Ann. Section 11-47-1 *et seq* (1972) Election of coverage will require the execution and delivery of a Member Agreement. The term of this Agreement is one year from the effective date stated below with automatic renewal on April 1 of each subsequent year This proposal is based on information provided by the entity and/or their representative Changes in exposures prior to the inception of coverage may result in changes to the proposal and affect the final Member contribution. This proposal is for descriptive purposes only and all coverage limits, terms and conditions are controlled by the Declarations and Coverage Document issued upon signed acceptance of this proposal and submission of an executed Member Agreement. MASIT pools risks among Members and, although it is structured to protect Members could require an adjustment contribution to meet any shortfall in the loss fund. However, MASIT has purchased reinsurance in substantial amounts in order to protect against such an occurrence

To Clay County Board of Supervisors

The Clay County Soil and Water Conservation District would like to sincerely thank the Board of Supervisors for last year's budget allotment used for the hiring of a district clerk. This has greatly helped the district and NRCS with applying conservation practices and programs throughout Clay County. Office administration, school outreach, and our assistance with the 2014 tree giveaway day are areas that were enhanced by district funds.

Some of the programs we could implement with additional funds would be a local and state elected official information meeting, Clay County conservation field day, and a elementary conservation essay/poster contest. These programs would help instill the importance of conserving our natural resources to both young and old residents of our county.

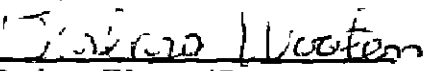

We the Commissioners of the Clay County Soil and Water Conservation District do hereby request that the attached budget be granted.

Thank you for your consideration,

John Elliott/Chair Person

Gil,

Per our conversation, as much as I'd like to be able to quote (and write) this one for you, there's just too many factors working against it this year. As we discussed, I quoted the account 3 years running in the mid-2000s for their then agent with no success. This year you mentioned you have the incumbent and 2 other carriers already looking to quote it, not to mention that the MASIT pool will be coming after it as well and very likely with a lowball price.

I also have 9 early September County renewals of my own which will take up most of my time and resources over the next month. While I most definitely appreciate your interest in a Zurich quote, given all these things working against us, unfortunately Clay County doesn't appear to give us the most optimal opportunity for success at this time.

Proposal Disclosures

The following disclosures are hereby made a part of this proposal. Please review these disclosures prior to signing the Client Authorization to Bind or e-mail confirmation.

Proposal Disclaimer

IMPORTANT The proposal is an outline of certain terms and conditions of the insurance proposed by the insurers based on the information provided by your company. It does not include all the terms, coverages, exclusions, limitations and/or conditions of the actual policy contract language. The insurance policies themselves must be read for those details. Policy forms for your reference will be made available upon request.

We will not be operating in a fiduciary capacity but only as your broker/agent obtaining a variety of coverage terms and conditions to protect the risks of your enterprise. We will seek to bind those coverages based upon your authorization however we can make no warranties in respect to policy limits or coverage considerations of the carrier. Actual coverage is determined by policy language so read all policies carefully. Contact us with questions on these or any other issues of concern.

Compensation Disclosure

One of the core values highlighted in The Gallagher Way states: We are an Open Society and our open society extends to the compensation Gallagher receives. In general, Gallagher may be compensated as follows:

1. Gallagher Companies are primarily compensated from the usual and customary commissions or fees received from the brokerage and servicing of insurance policies, annuity contracts, guarantee contracts and surety bonds (collectively, insurance coverages) handled for a client's account, which may vary from company to company and insurance coverage to insurance coverage. As permitted by law, Gallagher companies occasionally receive both commissions and fees.
2. In placing, renewing, consulting on or servicing your insurance coverages, Gallagher Companies may participate in contingent and supplemental commission arrangements with intermediaries and insurance companies. Contingent commissions provide for additional contingent compensation if underwriting, profitability, volume or retention goals are achieved. Such goals are typically based on the total amount of certain insurance coverages placed by Gallagher with the insurance company and/or through the intermediary, not on an individual policy basis. Some insurance markets, including Gallagher owned intermediaries, have modified their commission schedule with Gallagher, resulting in an increase in some commission rates. These additional commissions, commonly referred to as supplemental commissions, are known as of the effective date, but some insurance companies are paying this commission later and apart from when commission is normally paid at policy issuance. As a result, Gallagher may be considered to have an incentive to place your insurance coverages with a particular insurance company. Note: Upon request, your Gallagher representative can provide more specific market information regarding contingent and supplemental commission related to your insurance coverage.
3. Gallagher Companies may also receive investment income on fiduciary funds temporarily held by them, such as premiums or return premiums.
4. Gallagher Companies may access other facilities, including wholesalers, reinsurance intermediaries, captive managers, underwriting managers and others that act as intermediaries for both Gallagher and other brokers in the insurance marketplace. Gallagher Companies may own some of these facilities, in whole or in part. If such a facility was utilized in the placement of a client's account, the facility may have earned and retained customary brokerage commission or fees for its work.
5. Gallagher assists its customers in procuring premium finance quotes and unless prohibited by law may earn compensation for this value added service.
6. From time to time, Gallagher may participate in insurance company promotional events or training and development that insurers provide for Gallagher employees.
7. Gallagher strives to find appropriate coverage at a competitive price for our customers. In order to achieve these goals, we gather and analyze data about our customers and their insurance coverage. This data and the resulting analytical tools help us better understand the current marketplace, more accurately predict future trends and offer tailored solutions to our customers. The data may also be provided to insurers pursuant to consulting service agreements from which

earn fees

If you have specific questions about the compensation received by Gallagher and its affiliates in relation to your insurance placements please contact your Gallagher representative for more details

**TRIA/TRIPRA
Disclaimer**

If this proposal contains options to purchase TRIA/TRIPRA coverage the proposed TRIA/TRIPRA program may not cover all terrorism losses While the most recent legislation eliminated the distinction between foreign and domestic acts of terrorism a number of lines of coverage excluded under the TRIEA legislation passed in 2005 remain excluded including commercial automobile burglary and theft insurance surety insurance farm owners multiple perils and professional liability (although directors and officers liability is specifically included) If such excluded coverages are required we recommend that you consider purchasing a separate terrorism policy Please note that a separate terrorism policy for these excluded coverages may be necessary to satisfy loan covenants or other contractual obligations The Terrorism Risk Insurance Program Reauthorization Act (TRIPRA) includes a \$100 billion cap on insurers aggregate liability

TRIPRA is set to expire on December 31 2014 There is no certainty of extension thus the coverage provided by your insurers may or may not extend beyond December 31 2014 In the event you have loan covenants or other contractual obligations requiring that TRIA/TRIPRA be maintained throughout the duration of your policy period we recommend that a separate Stand Alone terrorism policy be purchased to satisfy those obligations

Contingent and Supplemental Commission Disclosure

Effective October 1 2009 Arthur J Gallagher & Co , and its subsidiaries operating as insurance agents/brokers under the corporate holding company known as Arthur J Gallagher Brokerage & Risk Management Services LLC, resumed participating in contingent commission arrangements which are routinely offered by insurance companies and intermediaries to agents and brokers, after voluntarily foregoing the benefit of this type of compensation since May 1, 2005. Contingent commission arrangements provide for additional compensation if certain underwriting profitability volume or retention goals are achieved. Such goals are typically based on the total amount of certain insurance coverages placed by Gallagher with the insurance company and/or through the intermediary not on an individual policy basis. As a result Gallagher may be considered to have an incentive to place your insurance coverages with a particular insurance company.

During the time Gallagher's retail operations did not accept contingent commissions some insurance markets and intermediaries including Gallagher owned intermediaries modified their commission schedule with Gallagher, resulting in an increase in some commission rates. The additional commissions commonly referred to as "supplemental commissions", are known at the effective date of the policy but some intermediaries and insurance companies are paying the commission increase apart and later from when the commission is normally paid at policy issuance.

Unlike contingent commissions, supplemental commission payments are determined without regard to any performance factors which are contingent on future growth retention, profitability, etc.

Contingent and supplemental commission ranges from less than 1% up to 10% of written or earned premium on eligible lines of business (not all lines of business qualify).

NOTE Upon request your Gallagher representative can provide more specific market information regarding contingent and supplemental commission related to your insurance coverage.
