Ms. Berry,
Below is the AG's Opinion you requested

Opinion No. 94-0183

Re: Office Hours of Tax Assessor

*1 Ms. Brenda C. Miles
Winston County Tax Assessor and Collector
201 S. Court Avenue
Louisville, Mississippi 39339

Dear Ms. Miles:

Attorney General Mike Moore has received your recent letter in your capacity as tax assessor/collector of Winston County and has asked me to respond. Your letter states: "If the Board of Supervisors of Winston County, Mississippi, decides that the Courthouse will be closed on Saturdays, may I open my office on Saturdays during the month of January to afford the taxpayers an opportunity to pay their taxes?"

Section 25-1-99, Mississippi Code of 1972, Annotated, provides that "the offices of all circuit and chancery clerks and sheriffs shall be open for business on all business days from 8:00 a.m. to 5:00 p.m., except that within the discretion of the board of supervisors of said county, the above county offices may be closed all day Saturday of each week, or may be closed at 12:00 noon on Saturday and at 12:00 noon on one (1) additional business day of each week."

This section states specifically the office of circuit clerk, chancery clerk, and sheriff, but does not mention the tax assessor. I am unable to find any statute dealing with the office hours of the tax assessor/collector.

Miss. Code Ann. § 27-1-25 provides that the office of the assessor must be open for business as other county offices pursuant to § 25-1-99, stating

The county assessor shall devote his entire time to the duties of his office. The office of the assessor shall be open for business at all such times as other county offices within the county are required pursuant to § 25-1-99 Mississippi Code of 1972, to be open for business and except when necessarily absent on official business the assessor, or his deputy shall remain in the assessor's office during the time the office is open for business.

As you note, Miss Code Ann § 25-1-99 (attached) provides that the offices of circuit and chancery clerks and sheriffs must be open for business on all business days from 8 00 a m to 5 00 p m , except that within the discretion of the board of supervisors these offices may be closed at 12 00 noon one business day of each week or may be closed all day Saturday of each week or may be closed at 12 00 noon on Saturday and at 12 00 noon on one additional business day of each week

If we may be of any further assistance, please let us know

Sincerely yours,

Mike Moore

Attorney General

Attachment 1

§ 25-1-99 County office hours

The clerks of the circuit and chancery courts, the county superintendent of education, the county tax assessors, and the sheriffs shall keep their offices at the courthouses of their respective counties if offices shall be there provided for them. If offices shall not be there provided for them they shall keep their offices within one-half (½) mile of the courthouses of their respective counties, except that the office of the county superintendent of education may be placed in the county in any other place determined by the county board of education to be most feasible, regardless of the distance from the courthouse. The offices of all circuit and chancery clerks and sheriffs shall be open for business on all business days from 8 00 a m to 5 00 p m , except that within the discretion of the board of supervisors of said county, the above county offices may be closed at 12 00 noon one (1) business day of each week, or may be closed all day Saturday of each week, or may be closed at 12 00 noon on Saturday and at 12 00 noon on one (1) additional business day of each week. Such courthouse hours decided upon within the discretion of the board of supervisors must be duly entered at large on the minutes of said board and such action by the board shall be published in a newspaper having general circulation in the county once each week for four (4) consecutive weeks

*2 Provided however, the courthouse shall be closed on all state holidays as set forth in Section 3-3-7 and when any state holiday set forth in Section 3-3-7 falls on a Saturday

the courthouse may be closed on the Friday immediately preceding such Saturday and when such holiday falls on a Sunday, the courthouse may be closed on the Monday immediately succeeding such Sunday. The board of supervisors, in its discretion, may close the county offices on those holidays created by executive order of the Governor.

§ 19-25-69 Sheriff to have charge of courthouse, jail and protection of prisoners

The sheriff shall have charge of the courthouse and jail of his county, of the premises belonging thereto, and of the prisoners in said jail. He shall preserve the said premises and prisoners from mob violence, from any injuries or attacks by mobs or otherwise, and from trespasses and intruders. He shall keep the courthouse, jail, and premises belonging thereto, in a clean and comfortable condition, and it shall be his duty to prosecute all persons who are guilty of injuring or defacing same. If, after a hearing by the governor held in accordance with due process of law, it shall be ascertained that the sheriff has wilfully failed, neglected or refused to preserve the courthouse, or the jail, or any prisoners lawfully in his custody from injuries by mob violence, then the governor shall have the power and it shall be his duty to remove such sheriff from office.

However, in the case of a jail owned jointly by a county and municipality, under the provisions of § 17-5-1 Mississippi Code of 1972, after the appointment of a jailer pursuant to § 47-1-49 Mississippi Code of 1972, responsible for all municipal prisoners lodged in said jail, neither the sheriff nor his bondsmen shall be responsible for actual maintenance or operation of said jail, insofar as municipal prisoners are concerned.
