**Gentlemen,**

**Administrators of Living Manna Church of West Point are establishing a transitional living ministry to meet the educational, spiritual, and vocational needs of inmates released from overcrowded prison systems.**

**For two years, 20 clients are expected to call "Mercy Pavilion House" their place of residence. Clients of the two year program are expected to become productive law-abiding citizens by the time they leave the halfway house. These non-violent offenders of the criminal justice system will graduate after having learned a skill, become more literate, and develop a better spiritual and social consciousness.**

**Living Manna Church has identified a Trust that is expected to fund the program over a five year period. Should county officials see a benefit for such a program, The Church is seeking a letter of endorsement from county supervisors.**

**There appears to be a vicious generational cycle of mass institutional incarceration. In keeping with its Christian mission, Living Manna Church officials are attacking the problem of recidivism by providing a second chance for men who often fall through the cracks.**

***IN THE MATTER OF CORRECTING THE FIXED ASSET RECORDS DUE TO  
INADVERTANTLY DELETING THE INCORRECT ASSET FROM INVENTORY FOR  
THE SANITATION DEPARTMENT***

---

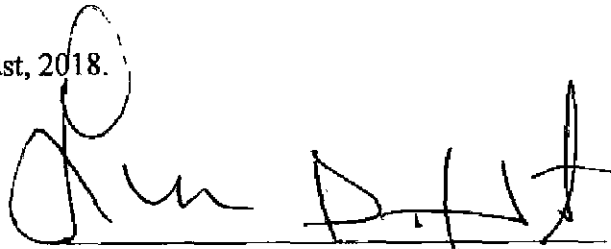

There came on this day for consideration the matter of correcting the fixed asset records due to inadvertently deleting the incorrect asset from the inventory for the Sanitation Department.

It appears to this Board at the August 10, 2017 meeting Supervisor Lummus had approved to Sale asset SA041, a trash compactor installed on SA047 Truck, for scrap; however in July 2018 in checking the departmental inventory, the actual trash compactor sold for scrap was SA039, GMC Trash Compactor 2002, S/N J8DE5B14X27902670, and;

It appears to this Board that Deputy Stanley Lee and Other Sanitation Crew members did confirm and verify that SA041 was installed on the SA047 truck.

After motion by Luke Lummus and second by Shelton Deanes this Board doth vote unanimously to correct the inventory records to reflect that SA039, GMC Trash Compactor, should have been deleted from the Fixed Asset Records and for SA041, Trash Compactor, which is currently installed on the SA047 Truck should be added back to the County's Fixed Asset ledger.

SO ORDERED this the 6<sup>th</sup> day of August, 2018.

To: Whom It may concern,

Recently I was denied homestead exemption for the year 2017. I was told by the chancery clerk that when I was granted homestead my wife name was attached to the application however we have been separated for (2) years, and when she bought a horse and applied for homestead they granted it, and my homestead was denied. The office informed me that her name should have been taken off my homestead (which I was unaware of) I feel this method is unfair to me simply because when we purchase a automobile tag they go the extra mile to see if you're delinquent in a garbage bill, before granting her home stead why ~~would~~ wouldn't they check to see if she qualified by checking to see if her name was attached to another homestead. Please help me rewrite a wrong and correct this matter Sincerely Donald Cohen
